

TOWNSHIP OF LIMERICK
Notice of Public Open House
Rehabilitation of Steenburg Lake Road North

The Project

G.D. Jewell Engineering Inc. has been retained by the Township of Limerick to complete the detailed design for the Rehabilitation of Steenburg Lake Road North, from Highway 62 westerly to Old Hastings Road. The project, which will be constructed in 2017, is planned to include the following items: ditching, culvert replacements, guide rail installations, and the installation of granulars and asphalt pavement.

The purpose of this open house is to provide area residents and anyone interested in the project an opportunity to review the preliminary design plans, share their comments and discuss the project with Township staff and the lead consultant.

Public Consultation

Public comments are encouraged. A Public Open House (POH) will be held at the following date, time and location to provide the public with an opportunity to discuss the project and provide input to the project team. The POH will provide the public an opportunity to:

- Review the preliminary design plans;
- Discuss the project process and schedule; and
- Provide comments.
