

Fiona Crean, Hydro One Ombudsman

*Invites you to join her at the
Ombudsman Information Session*

Join us at the Royal Canadian Legion in Bancroft and meet Fiona Crean, Hydro One's first Ombudsman.

Fiona is visiting communities across rural Ontario to explain what her role is at Hydro One, and what she can and cannot do for you.

Share your experiences, ask your questions and learn how the Hydro One Ombudsman can help you.

After the public meeting she will take individual complaints from members of the community.

We have a unique opportunity to speak with an advocate who will work with you to resolve issues her office can address.

We look forward to seeing you there!
